# Independence Day Celebration

"A moment comes, which comes but rarely in history, when we step out from the old to the new... India discovers herself again."

- J. L. Nehru

Independence Day is considered as a national holiday in India which is celebrated with utmost joy and happiness all around in India on which the roads are embellished with ribbons, flower and Indian flags. It is a day to pay a mark of respect to our great freedom fighters because of whom we are breathing an air of freedom.

Everywhere we see a flag hoisting ceremony across India on the day of Independence. We can see in every house, clubs, private and government organizations in cities and Villages that people host the flag representing the citizen of free India with more enthusiasm and joy. Schools and Colleges also celebrate the independence day by first hoisting the flag within their premises.

JIS College of engineering also celebrate the same day with their new wings called "JISCE NCC UNIT". This is the first salute to our National Flag by our NCC Unit. The unit is under the 49 Bengal battalion. On that day the National Flag was hoisted by the Chief Guest, Brigadier C. B. Singh. The Guest of Honors was the Director JIS Group Dr. A.Guha and HOD IT JIS College of Engineering Dr.S.S.Gupta.

**Salute and Speech by Delegates and NCC Cadets**
