The Chairman , AICTE Dr. Anil Sahasrabudhe inaugurated the new Civil Engineering Building and Dr. M. S. Manna, Director, AICTE inaugurated the new Computer Center at JIS College of Engineering.

The E-learning that comes under the SWAYAM project is a wonderful initiative to bridge the digital divide. Everybody has the right to education and when various educational revolutions are taking place, then the Members from different Engineering Colleges under AICTE, Eastern Region participated and teachers, rather the mentors, should know how e-learning should be used as a daily tool, " said Dr. Partha Chatterjee during a Teacher Training Workshop .

This is a prestigious event for us that we could develop the online curriculum, best fitted for a student, studying online. “The E-QUAL project is an innovative approach to enhance the quality, access and governance of undergraduate education in India through the joint decision and production of Open Educational Resources (OER), supported by European Commission (EU) and implemented by the British Council.

The project activities are being implemented in four key disciplines “Critical Thinking, Cultural Studies, Human Ecology, Natural Resource Management and Sustainable Development.

103 nos. Faculty Members from different Engineering Colleges under AICTE, Eastern Region participated and received certification from The Chairman , AICTE and the event was informative, interactive and successful.
