State Of Art:

Innovation is speculation not an observation dealing with real life scenarios by creating it and taking action. IPR is the legal action protecting speculation towards innovation by up surging the prosperity fostering invention and innovation. In modern technological competitive environment, an IPR holder can comprehend the value from its intellectual assets through provision of goods and services to customers by actualizing legal mechanisms alike licensing by generating revenue and building strategic alliances for socio-economic and technological development of the country. DeitY's scheme to support Sensitizing and Creating IP Awareness among various organizations is the best possible way to aware stakeholders.

Objective-Achievement Mapping:

Objective	Achievement
To create awareness about intellectual property rights (IPR) specially the patents.	Dr. Mahuya Hom. Chowdhury created awareness about intellectual property rights (IPR) specially the patents.
To provide necessary guidance and training about various procedures of patent search and application filing.	Mr. Sanjay Bhattacharya provided necessary guidance and training about various Procedures of patent search and application filing.
To envelop potentiality between participants to think beyond the curriculum introducing inter disciplinary thinking.	Prof. (Dr.) Subir Kumar Sarkar helped the participants to think beyond the curriculum introducing inter disciplinary thinking.
To foster innovative minds among participants.	Shri. Anal Kumar Roy fostered innovative minds among participants.
To identify protectable innovations.	Mr Sudipta Ghosh identified the protectable innovations.
To suggest steps for transforming innovations into proprietary assets.	Mr Sudipta Ghosh suggested the steps for transforming innovations into proprietary assets.
Utilize the IP information in their business development.	Mr. Anal Kumar Roy helped to utilize the IP information in their business development.

Delegates / Expert Details:

Overall Outcome:

Ministry of Electronics & Information Technology, Government of India sponsored One Day National Workshop on Intellectual Property Right for Sensitizing and Creating IP Awareness among Various Stakeholders has been organized by JIS College of Engineering, Kalyani on 25th August, 2017.

The Workshop is aimed to generate awareness about Intellectual Property Rights (IPR) in the Electronics & IT Sector, thereby furnishing requisite guidance and proficiency about an assortment of procedures of patent search and application filing. The Workshop is indeed a podium to foster pioneering minds amid participants and identification of protectable innovations.

Dr. Malay R Dave, Principal, JIS College of Engineering gave the Inauguration and Welcome Address in which he addressed the audience by stating that the Workshop is aimed to foster innovation and invention to the tee.

Mrs. Sila Singh Ghosh, Vice President – Corporate Relations, JIS Group expressed her delight for organizing such a pertinent Workshop that would be beneficial for all the stake holders and in the process ensure awareness attainment in the prospective instant.

Prof. (Dr.) Subir Kumar Sarkar, Professor and Coordinator of M.Tech Evening Course in VLSI Design, Department of Electronics and Telecommunication Engineering, Jadavpur University shared his wits on VLSI and IC Layout Design.

Shri Anal Kumar Roy, Project Manager, SIPEIT PMU, MeitY IPR Cell, Government of India stated that the Government is focused on furnishing the platform for innovators to showcase their talent with practical application.

Shri Sanjay Bhattacharya, Deputy Controller of Patents & Designs, Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, Government of India addressed on Patent System in Electrical, Electronics and IT domain and the road ahead.

Shri Sudipta Ghosh, Head, IP Management – Wipro Limited delivered his lecture on IP management in Corporate and allied nuances. Shri Ghosh stressed upon the structure adopted in the Corporate World and its extensive significance.

Dr. Mahuya Hom Chowdhury, Senior Scientist & Nodal Officer, Patent Information Centre, Department of Science and Technology, Government of India addressed the audience on the Overall idea on Patent, Copyright, Design, Licensing, GI and scope of those in engineering field.

Shri Sudipta Sahana, Convener of the Workshop stated that the Workshop is aimed to benefit the participants in all respect and a common platform to express the quality of innovation.

254 participants attended the Workshop in which respective stake holders were present, inclusive of students and faculty members from various Universities/Colleges of West Bengal.
