Report on Alumni Meet-2019

The Department of Computer Science & Engineering of JIS College of Engineering organized "ALUMNI MEET 2019"- a programme to facilitate, consolidate and coordinate Alumni Activities at JIS College of Engineering at B. C. Roy Auditorium on 23rd March 2019. The planned objective was to interact with the alumni, planning different passed out batches, formation of alumni association, taking Alumni Feedback etc.

Alumni from various batches from 2005 to 2018 were present for this meet. In this meet Prof. Dharmpal Singh has delivered welcome speech. He gave information about current happenings and development in CSE Department of this great Institute. Students attended the meet and shared their experiences with the students who are pursuing the education at JIS College of Engineering. Many alumni guided regarding opportunities and scope for software Engineer in IT industries. Dean (R&D) Dr.S Sen delivered the speech, in his speech he asked alumni to come forward with suggestions and guidance so as to Institutional growth. Dean (students affair), Dr.P.K Bardhan along with all faculty members have given memento to alumni. All the faculty members were present for the programme. More than 95 numbers of alumni registered (From first batch (2004) graduated student to current batch (2018) graduated student) in this programme. This Programme was attended by more than 40 students and remain one sent the message that due to sudden unavoidable task they will not present but promise to come in some other day. After presentation show lunch arrangements were made by college. The alumni have given feedback on curriculum provided by the institute and on infrastructural facilities. Prof. Pranati Rakshit gave the vote of thanks. Our Alumni, Prof. Sumanta Chatterjee (president, Alumni Association) has addressed alumni regarding different activities of alumni association.

The event was stimulating and enjoyable and simultaneously profitable as all members shared their views and good numbers of new ideas, information and insights came up. Also a great networking is created between all by this. The alumni Association sincerely expressed gratitude to the honourable Managing Director, Principal, Registrar, Vice Principal, Dean of R&D, Dean of students affairs, Dean of innovation, and HODs of JISCE for their guidance and support to make this event a grand success.
