

REPORT

The activities of the Mathematics Club, JISCE, in the running year has already been started. The regular process is as previous years and the members has added some additional points in it. The executions are also coming into display. The annual special activity will be on some popular lecture by eminent personality in this domain. Student members are motivated to take part in some competitions. The following is one of them.

INDIAN SOCIETY FOR TECHNICAL EDUCATION
Call for Participation
SRINIVASA RAMANUJAN MATHEMATICAL COMPETITIONS 2015-2016 (SRMC-2015-16)
EXCEL, INNOVATE AND HONE YOUR TALENTS IN MATHEMATICS

Indian Society for Technical Education announces the Srinivasa Ramanujan Mathematical Competitions – 2015-2016 for engineering and polytechnic college students and teachers from India. The contest aims to stimulate the creativity and the mathematical talent of students and teachers of engineering fraternity.

EXAMINATION will be conducted at two levels namely Chapter Level and National Level separately for all the four categories (Engineering College Teachers, Engineering College Students, Polytechnic College Teachers and Polytechnic College Students)

WHO CAN PARTICIPATE

- Student from Engineering Colleges (First to Final year)
- Students from Polytechnic Colleges (First to Final year)
- Teachers from Engineering Colleges
- Teachers from Polytechnic Colleges

HOW DO YOU APPLY?

- Download the application form from www.isteonline.in
- Submit the filled in application form online and pay an application processing fee of Rs. 100/- only
- Separate competitions will be held for each category such as students and teachers from engineering colleges and polytechnic colleges (4 categories)
