

Events and Activities Organized by
E Cell, IIC & AICTE IDEA LAB

IDEA-O-METER

World's most powerful design thinking program

IDEA Lab Induction program for 1st Year

JISCE IDEA Lab FDP/SDP on 3d scanner and printer

Website Design contest

Internal Hackathon for SIH2023

Technical Visit to AICTE IDEA Lab: Nurturing Brilliance

JISTech 2K23

Training and workshop in advance machine machine tools with laser cutting

Training and workshop in machine tools with IoT and smart devices

Annual Tech Fest for prototype exhibition in AICTE IDEA Lab

JISCE IDEA Lab FDP/SDP on Embedded System and IoT

JISCE IDEA Lab FDP/SDP on Laser Cutting and Plotter

JISCE IDEA Lab FDP/SDP on 3d scanner and printer

Setting of AICTE IDEA Lab at our Institution

Idea Development Competition for designing prototype

Design Thinking labs for students

Training and workshop in advance machine machine tools with laser cutting

Training and workshop in advance machine tools with wood CNC

Training workshop in advance machine tools with 3d modelling

One week faculty development program on design and development embedded for AI applications
